

Dear Mr. Rayburn,

On behalf of VOCES8 Publishing, I would like to extend our sincere apologies for the errors found in the sheet music you purchased (Liebe- Franz Schubert). The version you received had not yet completed its correction and publication stage, and it was mistakenly made available for purchase before final review. This oversight was entirely our fault.

We greatly appreciate that you took the time to notify us of the mistakes. Upon learning of the issue, we immediately processed a full refund and provided you with the corrected edition of the sheet music. We understand how important accuracy and reliability are to our customers, and we deeply regret any inconvenience this may have caused.

Please rest assured that we have implemented additional safeguards in our publishing workflow to prevent premature releases in the future. Your feedback has been invaluable in helping us maintain the high standards we strive for.

Thank you for your understanding and continued support. We hope the revised score meets your expectations and serves you well in your musical endeavors.

Warm regards, Emily Cartwrite, Customer Relations VOCES8 Publishing
